

BCFA MEMBERS' SHOWROOM GUIDE

INTRODUCTION

Most BCFA members have now reopened their showrooms and are keen to encourage visits from clients to view their new collections.

All the showrooms are COVID-19 secure and this guide shows whether appointments are required, and whether walk-ins are also welcome. Some members are still in the process of reopening their showrooms so this guide will be updated regularly to include the newly opened showrooms.

We hope that you will take advantage of the opportunity to visit these showrooms, find brilliant new products and reconnect with our members.
