We reserve the right to alter specifications without notice. FR testing is predictive and customers must ensure their complete furniture meets the necessary standards. All values and measurements are approximate

AQUACLEAN & SAFEFRONT PFC FREE SUSTAINABLE UPHOLSTERY PROTECTION

Aquaclean technology helps protect the fabric against the majority of spills and stains without having to resort to specialist cleaning, **simply clean with water**. Ideal for fixed upholstery, Aquaclean is **100% ecological**, certified **Oeko-Tex Standard 100**.

SAFE FRONT is a powerful, permanent barrier which protects the fabric and prevents the spread of viruses and bacteria, tested to ISO 20743:2013 and ISO 18184:2019.

For details on the **AQUACLEAN** and **SAFE FRONT** technology, including a demonstration video please visit www.sunburydesign.com/aquaclean
